

### Writing Challenge

Imagine you are on a camping trip with your family. One day you go off to explore the woods nearby. It is cool and shady and there are whispering noises all around you. You realise the trees are talking! Write the story of what happens next!

### Maths Challenge

Think of a 3 digit number. Can you add a multiple of one hundred to your number? Now try this with other multiples of one hundred. Can you try this again adding multiples of ten? **Extension:** Repeat this again but now you are going to subtract your multiples of one hundred and multiples of ten.

### Theme Challenge

If you could visit any mountain in the world, which would it be? Write down everything you can find out about your chosen mountain and give reasons why you think it would be the most exciting to visit!

## Year 3 Home School Challenge

### Science Challenge

Plants are an important source of food for humans. Take a look in your food cupboard and fridge. Use the chart attached to record what plant foods you find and what part of the plant you eat.

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

### Design It!

Design an outfit which would be suitable to wear whilst mountaineering! Add labels to explain why your outfit would suit a mountain climate!

### Make It!

Make a model of one of the world's highest mountains! You can choose which one!

### Ask It!

Find out about the famous mountaineer, Sir Edmund Hillary! Write six questions about him then carry out research to answer as many questions as you can.

### Cook It!

What sort of snack do you think would be best to eat at the top of a mountain? Can you make your snack?

## Your new Home-School Challenge!

- Read the tasks carefully.
- Complete all of the 4 tasks in speech bubbles (linked to maths, writing, science and theme).
- Choose at least 2 (or more!) of the creative tasks which are in blue along the bottom to try at home.
- Record your work in your new homework book. You can do this any way you wish as long as it meets the task requirements.
- You can decorate the cover of your new homework book at home with wrapping paper, wallpaper, stickers, drawings, etc.
- Return your homework book by the date stated to share your work with your class.
