

## Safer Schools App for staff

Keep up to date with current online safety information to keep children safe online.

The Safer Schools App offers vital safeguarding information for teachers, pupils, school staff and other safeguarding professionals has been launched by Hull City Council. This App provides support on topics including online bullying, mental health, image sharing, digital literacy, gaming and sexual exploitation online. It costs nothing to download and provides access to advice, guidance and CPD accredited training, with a specific focus on making children and young people safer in the online world.

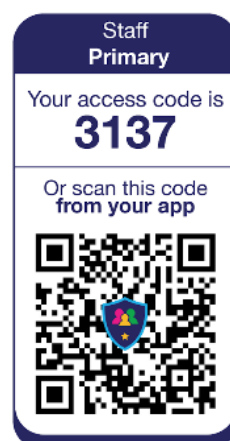

All staff are asked to download the app and to access content simply...

1. Open the App Store
2. Search for and download **Safer Schools App**
3. When searching for school **search Hull City Council** and enter the **Staff Primary access code** or **scan the QR code below**

If you need any support downloading the app or further information, please do not hesitate to contact Mrs Ball or Mrs Matthews.

For your information, all parents have been asked to download the app too and have been given a parent access code.
