

Writing Challenge

If you were made a pharaoh, which five laws would you create and enforce? Explain why.

Maths Challenge

Choose the times table which you find the most tricky: 10, 5, 2, 4 or 8. Make up your own way of remembering the multiples until you are really confident. You could create your own quiz or compose a song! You could even make a recording of your work to help your friends!

Theme Challenge

Tutankhamun is one of the most well known pharaohs of Ancient Egypt. Research him and create a fact file of key information.

Science Challenge

Plant your sunflower seeds and enjoy watching them grow. In your book:

- Predict how tall they will grow
- Measure them at different stages
- Write about how you cared for them.

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Design it!

Design a sarcophagus fit for a pharaoh. Use Egyptian themed colours and patterns.

Make It!

Make your own mummy! Using toilet paper, mummify yourself, your mum or dad, a brother or sister or even a teddy - don't forget to leave space for their face! Take a picture of your finished mummy.

Cook It!

All our year groups are busy growing potatoes for the school competition. Cook a dish that uses potatoes and share it with your family. Take a photo or draw a picture of your dish.

Ask it!

If you were able to interview an ancient Egyptian, what would you ask them? It could be a farmer, a slave, a queen or a pharaoh! Write 8 questions in your book.
