

NEWSLETTER FOR PRIORY PRIMARY SCHOOL

Dear Parents and Carers

How quickly we have come to the last week of the year! We have been very busy in school, working hard, enjoying the activities on offer and preparing the children for the start of the next school year.

We thoroughly enjoyed the relaunch of Priory's Got Talent with all of the children being involved in the initial auditions and watching the dress rehearsal. We have so many talented children in school and I hope that the acts have inspired others to join in, audition and perform. Congratulations to our winning act The Yacht, and runners up Jazzy Jess and The Abba Girls. We all enjoyed Sports Days and the lovely weather. We finally managed to avoid the rain and run Year 3 and 4 Sports Day just last week and although we did not expect parents to be able to attend, we did send a message in the hope that some of you might be free and, happily, many of you were available.

We are making plans for our return to school in the Autumn Term and all children have had the chance to visit their new classrooms and their new teachers and we are sure that they enjoyed their transition day. Last week our Year 6s visited their new secondary schools and we wish them all well in their new schools. Mrs Ball and Miss Egan will be moving on to pastures new in the Autumn Term. We will miss them both and wish them every success.

Miss Green (Mrs J Thompson) and Miss Lawrence (Mrs Lawrence) will both be returning following their weddings in August. We will also be welcoming back Mrs Yeung, Mrs Walls and Miss Christlow following their maternity leaves.

This week we have hosted the Year 6 Prom and Leavers' Assembly. They are a wonderful year group and have made us all very proud throughout their time at Priory Primary School. We wish them every success in their new schools and are always keen to hear how they are getting on.

Have a very happy holiday and we look forward to welcoming the children back to school on **Wednesday 6th September 2023**.

Best Wishes

Car Park

Please remember to use the car park carefully and thoughtfully. We are very lucky to have this on site but with some visitors ignoring the one way system and parking inconsiderately, we may not be able to open up our car park to the public, if we feel the safety of the children is at risk.

Uniform

Thank you for your support with making sure the children wear appropriate uniform to school.

Do remember that we have regular uniform swaps / giveaways!

We have a lot of 'lost' property which you might be able to reclaim!

It is very helpful if all items of clothing are named so that we can return at least some items to their owners!

If you would like to purchase new school uniform you can do so [here](#)
