

### Writing Challenge

Find out about the Amish communities who live in the North West of the USA. How is their lifestyle different to yours?

### Maths Challenge

Research the US presidents from the last 100 years and create a timeline to order them chronologically.

### Geography Challenge

If you had to move to either North or South America, where would you chose to go and why? Present your choice on a poster.

## Year 6 Home School Challenge

### An American Adventure (Spring 1)

### Science Challenge

In the style of Charles Darwin, create some observational drawings of birds and other animals.

Complete all of the tasks in the speech bubbles.

Due in by 19.05.25

Choose 2 or more of the blue tasks to try at home.

#### Translate it!

Make a list of as many 'Americanisms' as you can.  
e.g. trash = rubbish

#### Present it!

Prepare (and be ready to present) a weather forecast for a country in North or South America.

#### Design it!

Make a rainforest survival guide. Include a kit list, dangerous animals to watch out for and health and safety instructions.

#### Draw it!

Sketch a detailed picture of a famous American landmark.
