

### As Geographers we will...

Name the countries and capital cities of the UK.

Locate cities in the UK using the four compass points.

Identify the human and physical features of the UK.

Use aerial photographs and maps to recognise landmarks in the UK.

Learn some famous characteristics and features of each country in the UK.

### Key Vocabulary

United Kingdom, country, capital city, England, Wales, Scotland, Northern Ireland, London, Cardiff, Edinburgh, Belfast, map, compass directions, north, east, south, west

### As Readers we will...

Clarify new words, make predictions, summarise what we have read, ask and answer questions about what we are reading.

Read with an adult individually on a regular basis and read during our Read Write Inc lessons.

## Year 1 - Summer 1 2024 The United Kingdom

### As Writers we will...

Use the story 'Where the Wild Things Are' to explore descriptive language including adjectives, nouns and verbs.

Continue to develop our knowledge of suffixes and apply them to our writing.

Edit and improve our work independently.

Explore the structure and purpose of letters and write our own.

### As Scientists we will...

Identify, group and name a variety of wild and garden plants, including deciduous and evergreen trees.

Identify and describe the basic structure and function of a variety of common flowering plants, including trees.

Investigate what plants need to grow and look after our own sunflowers.

### In the Arts we will...

Explore, design and make sliders and levers to create a moving picture.

Listen to and appraise 1950's rock and roll music.

Learn about the features of rock and roll music and the artists of this era.

Learn and perform 'Rock around the clock' and make comparisons with modern music.

### In PE we will...

Participate in a range of striking and fielding activities, developing our agility, balance and co-ordination.

### In RE we will...

Explore the question;  
'Why is the world special?'

### In Jigsaw we will...

Explore the theme, 'Relationships'.

### As Mathematicians we will...

Count in multiples of two, five and ten.

Use knowledge of coins to solve money problems.

Describe position, direction and movement, including whole, half, quarter and three quarter turns.

### In Computing we will...

Use letter, number and space keys to enter text into a computer.

Use the back space key to remove text.

Change the appearance of text on a computer.
