

Jigsaw knowledge and skills progression: Changing Me Ages 3-11(12)

Jigsaw, the mindful approach to PSHE is a progressive and spiral scheme of learning. In planning the lessons, Jigsaw PSHE ensures that learning from previous years is revisited and extended, adding new concepts, knowledge and skills, year on year as appropriate. The table below draws out the spiral knowledge and skills progression within the Changing Me Puzzle (unit of work) including key vocabulary introduced this year and suggestions for Family Learning. Please ask your child's school for details of any adaptations they have made to the programme in line with their school policy as some content and vocabulary may have been changed or be taught in a different year group.

CM	Knowledge	Social and Emotional Skills	Questions for Family Learning
Ages 9-10	<ul style="list-style-type: none"> Know that our self-image is important to our mental well-being, and that there are things we can do to affirm this Know how girls' and boys' bodies change during puberty and understand the importance of looking after themselves physically and emotionally Know that sexual intercourse can lead to conception Know that some people need help to conceive and might use IVF Know that becoming a teenager involves various changes and also brings growing responsibility 	<ul style="list-style-type: none"> Can celebrate what they like about their own and others' self- image and body-image Can suggest ways to boost self-esteem of self and others Recognise that puberty is a natural process that happens to everybody and that it will be OK for them Can ask questions about puberty to seek clarification Can express how they feel about having a romantic relationship when they are an adult Can express how they feel about having children when they are an adult Can express how they feel about becoming a teenager Can say who they can talk to if concerned about puberty or becoming a teenager/adult 	<ul style="list-style-type: none"> Can you tell me how you feel about yourself? What can people do if they don't feel great about themselves? Can I share with you how I see you and how I care about you? Do you have any worries about puberty? Do you have any questions about puberty? Do you have any questions that you'd like to ask me about how babies are conceived? What do you think it will be like when you are a teenager? What kinds of things do you think you will be allowed to do when you are a teenager that you're not allowed to do now? What do you enjoy about being your age now?
<p>In this Puzzle the children revisit self-esteem and self/body-image. They learn that we all have perceptions about ourselves and others, and these may be right or wrong. They also reflect on how social media and the media can promote unhelpful comparison and how to manage this. Puberty is revisited with further detail explaining bodily changes in males and females. Sexual intercourse is explained in slightly more detail than in the previous year (if taught). Children are encouraged to ask questions and seek clarification about anything they don't understand. Further details about pregnancy are introduced including some facts about the development of the foetus and some simple explanation about alternative ways of conception e.g. IVF. Children learn that having a baby is a personal choice. Details of contraceptive options and methods are not taught as this is not age-appropriate. Reasons why people choose to be in a romantic relationship and choose to have a baby are also explored. Children look at what becoming a teenager means for them with an increase in freedom, rights and responsibilities. They also look at the perceptions that surround teenagers and reflect whether they are always accurate e.g. teenagers are always moody; all teenagers have a boyfriend/girlfriend etc.</p>			
<p>Key vocabulary that may be introduced</p> <p>Body-image, Self-image, Personality, Perception, Self-esteem, Affirmation, Comparison, Uterus, Womb, Oestrogen, Fallopian Tube, Cervix, Vagina, Vulva, Penis, Testicles, Adam's Apple, Scrotum, Genitals, Broader, Sperm, Semen, Erection, Ejaculation, Urethra, Wet dream, Growth spurt, Larynx, Facial hair, Pubic hair, Hormones, Testosterone, Circumcised, Uncircumcised, Foreskin, Epididymis, Ovaries, Egg (Ovum), Period, Fertilised, Unfertilised, Conception, Having sex, Sexual intercourse, Making love, Embryo, Umbilical cord, IVF, Fertility treatment, Foetus, Contraception, Pregnancy, Menstruation, Sanitary products, Tampon, Pad, Towel, Liner, Hygiene, Age appropriateness, Legal, Laws, Consent, Responsible, Teenager, Manage, Milestones.</p>
