Shape Futures, Ignite Potential: Join Thrive Co-operative Learning Trust as a Governor

As Chair of the Trustees at Thrive Co-operative Learning Trust, I'm writing to invite you to join our network of local governors. We are looking for individuals who are passionate about making a tangible difference in the lives of young people right here in our communities.

Our schools are at the heart of their localities, serving diverse populations and addressing critical needs like food security and affordable school uniforms. By becoming a local governor, you'll play a vital role in ensuring these schools continue to thrive and provide excellent education and support.

Your skills and dedication can directly impact the success of our students and strengthen our community. I encourage you to consider this rewarding opportunity to contribute to the future of our young people.

Ken Battye
Chair of Board of Trustees
